Regatta Kids General Sizing Guidelines

Our children's clothes are designed to allow room for growth. Sometimes the height measurement is a better guide than the age in choosing the correct size for your child.

A HEIGHT:

Measure from a level floor to the top of the head.

B CHEST:

Measure the chest at the fullest part placing the tape under the arms.

C WAIST:

Measure around the waist at the height at which you would normally wear your trousers.

Hats

A = Place the tape around your head across the mid-forehead, completely circling your head. Hold the tape firmly, but not too tightly. Measure your head exactly where the hat will sit. If your measurement falls between sizes, choose the next largest size.
