CHARGING

Aurvana Trio Wireless has an incredibly long-lasting battery life of up to 20 hours and is rechargeable via the included micro USB charging cable. The estimated charging time for a full charge is about 2 hours.

SUPER X-FI® READY

Enjoy a preview of Super X-Fi headphone holography on local content stored on your phone via SXFI App, simply follow these 3 steps to set up:

STEP 1:

Download the SXFI® App from the Google Play Store or App Store. Register an account (this is different from your Creative store account).

STEP 2:

Select the "Personalize" tab from the menu bar in the app. Follow the step-by-step guide to personalize your Super X-Fi profile via the Head & Ear Mapping process.

STEP 3:

Connect Aurvana Trio Wireless to your device via *Bluetooth*.

SUPER X-FI SETUP COMPLETE

To play songs with Super X-Fi, make sure that your songs are downloaded* onto your device.

You'll see these songs appear under the "Browse Music" tab of the SXFI App.

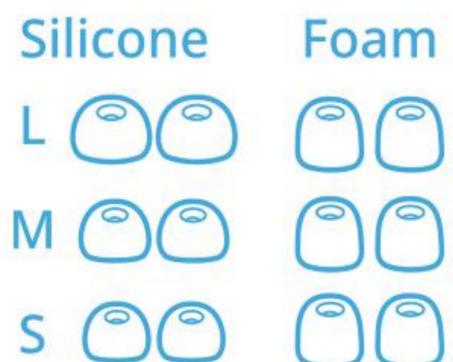

Select the song to play and tap on the Super X-Fi logo on the bottom left of the screen to turn Super X-Fi on or off. Enjoy!

*Super X-Fi READY works on local music files downloaded onto your device, like an MP3 player; it does not support streaming content. Some downloaded content (e.g. Spotify, YouTube and Netflix) that are protected may work only on their respective applications

IN-EAR FITTING

Aurvana Trio Wireless comes with 3 different silicone ear tips sizes in small, medium, and large, so you can customize accordingly. Remember, sometimes even our left and right ears are not the same!

For additional options, we've also included 3 pairs of noise-isolating foam ear tips.
