32" Smart Monitor M7 M70F 4K Samsung Vision AI

LS32FM703UNXZA

Samsung's 32" M7 Smart Monitor brings AI-powered intelligence to your setup with smart features that adapt to how you work, play, and watch. Smart TV Apps provide instant access to content directly from the monitor. You can launch shows, movies, and more without needing a separate device. The AI Picture Optimizer adapts the visuals for optimal quality whether working, gaming, or watching videos. SmartThings allows easy device management and lets you tap into the all-in-one IoT hub using your mobile phone or voice command, without pausing shows. Knox Security keeps data safe and confidential, plus it enhances the security of IoT connections made through the Smart Monitor. The 4K UHD display brings content to life in vivid detail with incredible clarity. Active Voice Amplifier adapts to noisy environments and automatically adjusts volume. Click-to-Search offers content details. Gaming Hub enables access to the biggest games from top streaming partners with no PC or console needed.

Key features

Smart TV Apps

Stream content directly from your monitor, or tune into Samsung TV Plus to get live TV channels and on-demand content — all at zero cost.

AI Picture Optimizer

Experience optimal picture quality adjusted to your needs. AI Picture Optimizer adapts the visuals to help you work on documents with comfort, get fully immersed in games with deep, rich blacks, and watch videos in vibrant colors.

SmartThings

See your smart home devices in a 3D Map View and manage them with ease. You can also check the energy usage and cost by device, and save money by putting them in energy-saving modes. Simply tap into the all-in-one IoT hub using your mobile phone or voice command — without pausing shows.

Knox security

Keep your monitor data safe and confidential with Samsung Knox. Its robust, multi-layered security and tightly controlled access also enhance the security of your IoT connections made through your Smart Monitor.

4K UHD

Watch your content come to life with incredible clarity. 4K UHD resolution enhances even fine details in images and videos, making worlds feel more vibrant and realistic.

Gaming Hub

Access the ultimate gaming realm. In the Samsung Gaming Hub, you can play the biggest games from top streaming partners, with no PC or console needed. Discover new games or replay old favorites all in one place.
