iOttie One Touch 2 Car Mount

The iOttie Easy One Touch 2 provides a safe, versatile & stylish smartphone mounting solution.

Easy One Touch Locking Feature

- Mount your device quickly & safely.
- Simple push of a finger locks your device in place.
- US patented locking mechanism.

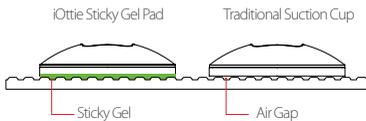

2-Step Locking

- Allows for adjustable gel pad strength for multiple surfaces.
- Pull down lever once for smooth surfaces.
- Pull down lever twice for textured surfaces.

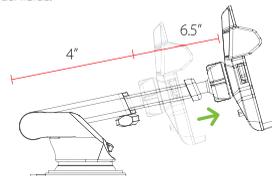

Super Sticky Gel Pad

- Adheres to either windshield or dashboard.
- Works with most curved & textured dashboards.
- Rinse with warm water to restore tacky suction.

Telescopic Arm

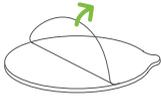

- Arm extends from 4 inches to 6.5 inches.
- Telescopic arm allows for safer & easier use.
- Great for use with long & hard to reach dashboards & windshields.

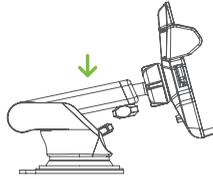

To avoid the possibility of marks or harm to select dashboards, we recommend you to place the mount onto your windshield.

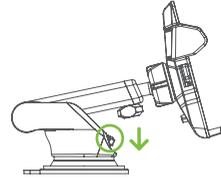

INSTALLATION INSTRUCTIONS

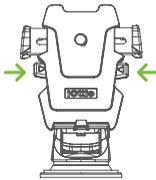

1. Unpeel dashboard pad cover and place sticky side on desired dashboard location
**Dashboard pad for dashboard use only*

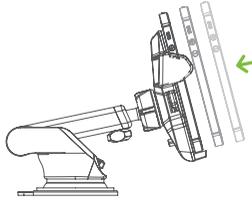

2. Unpeel sticky gel pad cover, place onto dashboard cover and press down

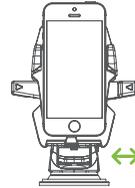

3. Pull down the lever to secure the mount.
 - a) Pull down once for smooth surfaces.
 - b) Pull down twice for textured surfaces.

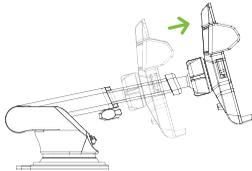

4. Press side buttons into locking position.

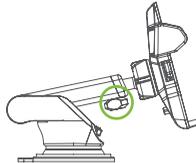

5. Place your device inside the mount firmly to activate the one touch locking system.

6. Adjust bottom foot to locate proper position.

7. Loosen knob to extend telescopic arm to desired length.

8. Tighten knob to fasten in place.

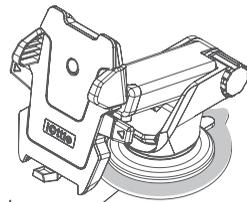

9. Adjust cradle in any angle with ball pivot joint.

DASHBOARD PAD INSTRUCTIONS

1. Unpeel dashboard pad cover
2. Place on desired location
3. Mount your device

**iOttie recommends to use included dashboard pad for all dashboard mounting, this will help mounting on curved and textured surfaces as well as prevent any potential dashboard damage. Use of the dashboard pad is not required on the windshield.*
