

Skoove

About Skoove

Skoove features in-depth online piano courses that adapt to you and give you feedback. Develop your repertoire on your own time, at your own pace with a curated catalogue filled with everything from current chart hits to classical music. Need a little help? Skoove's experienced team of musicians is on hand with one on one support to answer any of your questions. New, exclusive lessons are added every month so that you can keep expanding your repertoire with new music as well as up your piano game with new music theory tips and tricks.
