PAMRAY

Design For Better Life

47”

Attention ⚠

a. In order to help your assembly, do not fasten the screws tightly until you have assembled all the other parts.

b. Please feel free to contact us. Our customer service can assist you with any questions about the product.

Email : pamrayservice@gmail.com
Your satisfaction is our highest pursuit.

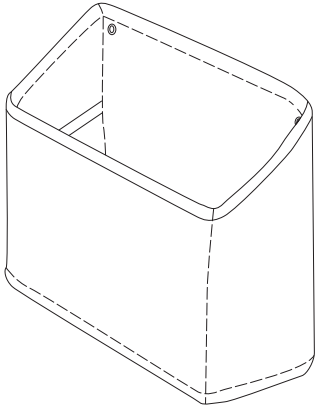

Attention ⚠

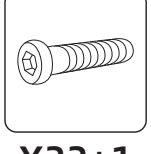

c. Please keep the 2 holes (In the Middle Section of One Side) of the two "A" parts on the same side to facilitate the installation of the X-shape brace.

d. Since the X-shape brace has two sides, when you feel not smooth during assembling, please flip to the other side and install again.
