

# Repel Reverse Umbrella

## **SAFETY WARNING:**

Always point the umbrella away from you when opening and closing. The umbrella is spring loaded and opens quickly. Allow at least 4ft of space in front, to the left, and to the right of you when opening and closing.

## **INSTRUCTIONS:**

- 1 **Opening:** Remove the sleeve from the umbrella. With the umbrella pointing away from you, simultaneously press the red open/close button and push the canopy open until you hear it click into place.
- 2 **Closing:** With the umbrella pointing away from you, place one hand on the handle and with the other hand press on the red open/close button, then pull the canopy and handle together until you hear it click into place. Never close the umbrella by grabbing the ribs!
