new item for 2012

for trash cans & recyclers, this is where you'll find the liner size

fingerprint-proof brushed stainless steel rectangular sensor can

5 year warranty

multi-sense™

our sensor adapts to your tasks. It's touch-free technology that's in sync with your needs

robust mechanism

if the lid is obstructed, the clutch system will temporarily disengage to prevent damage to the motor

energy efficient

lasts up to 1 year with 6 alkaline C batteries, or use with optional simplehuman power adapter

additional features:

- fingerprint-proof finish resists smudges to keep stainless steel shiny
- batteries conveniently located on the back of the can — no fumbling under the lid
- robust internal hinge is built to last, but still sleek enough to place the can right against the wall
- bag tuck® opening tucks away excess bag so it stays neatly out of sight
- odorsorb™ filter integrated into the lid to absorb odors
- nylon discs under the can make it easy to slide and gentle on your floors

spout sensor pump

2 year warranty

touch-free

neat, easy and automatic. Touch-free operation means no germs passed on, and no smudges left behind

elongated spout

extended spout dispenses soap over the sink, not onto the countertop

no messy spills

wide opening makes refills fast, easy and spill-free

additional features:

- easy-to-use buttons control how much soap, lotion or sanitizer to dispense
- clear soap chamber shows soap level at a glance
- lights up green when sensor is activated, and turns red to signal low battery power
- requires 4 AA batteries (not included)
