Wide Using for Cat Feather Toy

Hand holding Funny cat

Placed on the floor

Placed on the glass

Placed on the robot vacuum

Using Tips

1.Keep the adsorption area smooth, clean, and not damp, if not smooth, put the acrylic sticker and then place thesuction cup on it.

2.Minimize the movement after the suction cup is fixed.

3.No use in a high-temperature environment, which will irreversibly affect the suction force.

4.If the suction cup is not sticky, please wash it with clean water and it will regain the stickiness.

5.Store the suction cup in a cool place after cleaning it to keep the long usage.

6.Non-marking acrylic sticker , not suitable for repeated tearing, it will affect the suction

NOTE!!!

1.Children playing with cats must be accompanied by parents

2.Be careful of scratches!!! the cat wand, made of steel wire, is not easy to bedeformed when twisted and has a strong impact when rebounding

3.All pictures and illustrations in this manual are for reference only, please refer to the actual product.
