fingerprint-proof brushed stainless steel  
**rectangular sensor can**

**5 year warranty**

**multi-sense™**

our sensor adapts to your tasks. It's touch-free technology that's in sync with your needs

**robust mechanism**

if the lid is obstructed, the clutch system will temporarily disengage to prevent damage to the motor

**energy efficient**

lasts up to 1 year with 6 alkaline C batteries, or use with optional simplehuman power adapter

**additional features:**

- fingerprint-proof finish resists smudges to keep stainless steel shiny
- batteries conveniently located on the back of the can — no fumbling under the lid
- robust internal hinge is built to last, but still sleek enough to place the can right against the wall
- bag tuck® opening tucks away excess bag so it stays neatly out of sight
- odorsorb™ filter integrated into the lid to absorb odors
- nylon discs under the can make it easy to slide and gentle on your floors

# spout sensor pump

2 year warranty

touch-free

neat, easy and automatic.  
Touch-free operation means  
no germs passed on, and no  
smudges left behind

## elongated spout

extended spout dispenses  
soap over the sink, not  
onto the countertop

## no messy spills

wide opening makes  
refills fast, easy and  
spill-free

## additional features:

- easy-to-use buttons control how much soap, lotion or sanitizer to dispense
- clear soap chamber shows soap level at a glance
- lights up green when sensor is activated, and turns red to signal low battery power

- requires 4 AA batteries (not included)
