Opening

STEP 1

STEP 2

STEP 3

1. Open the package, use scissors to cut a small opening in the plastic package then tear the package by hand. Be careful not to let the scissors cut the pillow and do not use a knife to open the package.
2. Roll out the pillow on your bed and remove any remaining plastic packaging...
3. Place in a cool dry place at least 24 hours. Then reach its full shape before first use.

Suitable for Multiple Sleeping Positions

Back Sleeper

Side Sleeper

Stomach Sleeper

Washing

Open the zipper and remove the pillowcase.

Machine or hand wash in cold water, not to use bleach.
INNER PILLOW CAN NOT BE WASHED, SPOT CLEAN ONLY

Tumble dry at low temperature or air dry in the sun.
Ensure the pillowcase is completely dry before use.

Warning: To prevent suffocation, do not put pillow in a crib or near where infants sleep. Pillow is not intended for infant's use
