GETTING STARTED WITH YOUR NEW ENTR KEYBOARD

INITIAL START-UP

- The USB-C port on the ENTR can be used to connect your keyboard to your computer.
- The keyboard should work out of the box with macOS and Windows operating systems. FN hotkeys work with Windows operating system only.

ENTR WARRANTY

- In the event that the product purchased experiences defect or failure, please contact Drop Support and provide your transaction ID with a description of the issue. Include photos or videos, if applicable.
- Drop Support might ask for additional information, such as the product 's serial number, so be sure to have that information ready.
- Drop will request for the product to be sent back to a specified return address, which will be provided to you via email.
- Upon receipt of the defective product, Drop will make every effort possible to ensure your satisfaction by shipping you a replacement.
- You are responsible for the cost of return shipping if a request is submitted after 2 weeks of receiving the item.
- Drop reserves the right to refund the purchase price as its exclusive warranty remedy if a replacement cannot be sourced.
