Welcome Guide

Nintue

Made in China

IMPORTANT SAFETY INSTRUCTIONS

- Cut off power before installing or cleaning the floor lamp.
- The floor lamp supports up to 60 watts maximum.
- Do not put the floor lamp in the overheating working condition or cast it into fire.
- Do not retrofit the product for warranty claim.
- Read this manual before operation and keep it for future reference.
- Keep children away from this product.

After-sales Service Guarantee

A 24-month warranty is provided for the product from the date of purchase. If you have any questions, please sign in to Amazon and contact us.

Note: If possible, please provide an order ID with a detailed description or image when contacting our customer service.

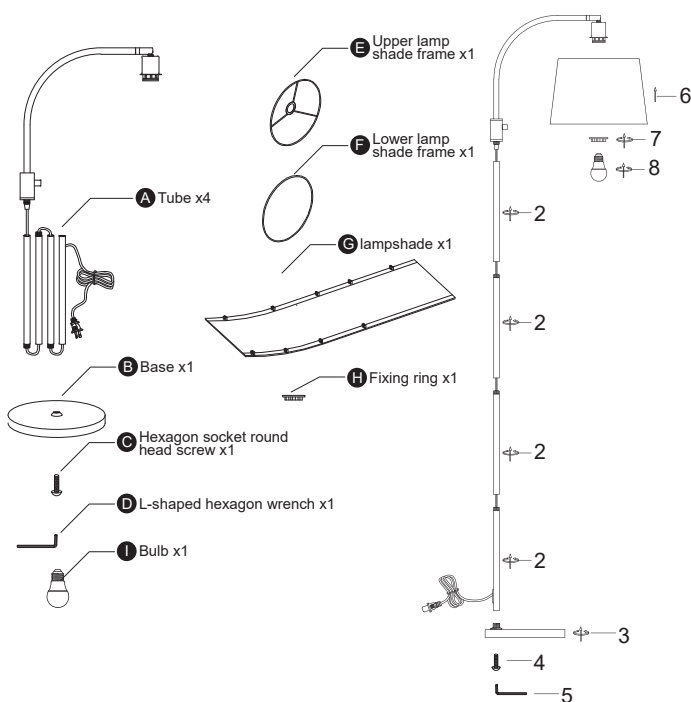

Warranty

- During the warranty period, we provide services including refund or replacement at no charge to those who use the device in accordance with its intended use.
- This warranty does not cover:
 - (A) Failure or damage due to the improper use, repair or remodeling.
 - (B) Failure or damage caused by falling.
 - (C) Failure or damage caused by fire, earthquake, flood, lightning and other natural disasters.
 - (D) Failure or damage when used for purposes other than its intended use.
 - (E) Failure or damage caused by third-party products not related to this device.

NOTE : If any parts are missing, please contact us for replacements.

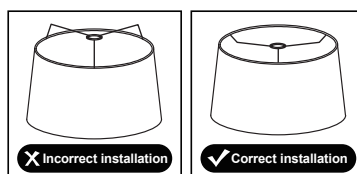

Precautions In Us

- Read this manual before operation and keep it for future reference.
- Keep children away from this product.

Proper Installation Tips

Friendly reminder: When installing the lampshade, make sure the raised side of the lower lamp shade frame faces upward.

Installation Instructions

01

Remove the black protective cover (①) from each tube.

02

Insert all tubes (②) and screw them in securely.

03

Insert the assembled tube into the base (③).

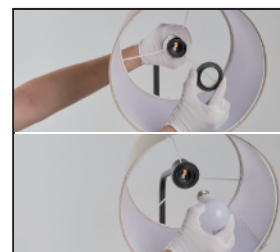

04

Insert the hexagon socket round head screw (④) through the base (③), and use the L-shaped hexagon wrench (⑤) to fasten it onto the straight tube (②).

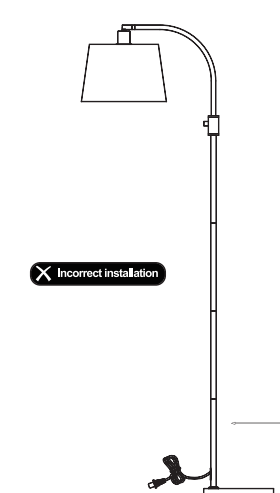

05

Fix the lampshade (⑥) on the lamp shade frame. Make sure the raised side of the lower lampshade frame is facing up.

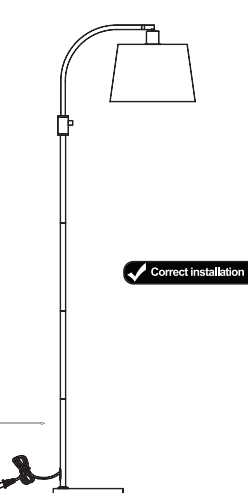

06

Fit the snap-on lampshade in place, and screw back the fixing ring (7). Install the light bulb (8).
