

ASSEMBLE INSTRUCTION

Parts

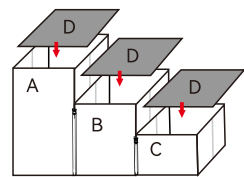

A:Pet Stair*1	B:Pet Stair*1	C:Pet Stair*1	D:Board Pad*3	E:Box Lid*3
				

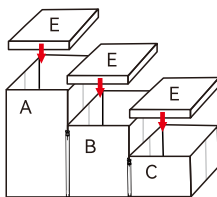

STEP1:
Unflod base parts A, B and C.

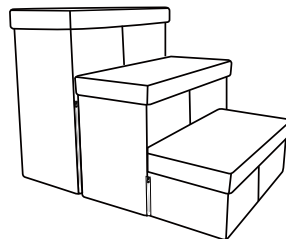

STEP2:
Link parts A, B and C with zipper.
(It's more convenient when the bottom is facing towards you)

STEP3:
Place pads D inside parts A, B and C to keep stable.

STEP4:
Close lids E*3

STEP5:
The assembly is complete.

TIPS

Pet stairs may have an odor due to long-term sealed transportation.

It is recommended to open the package and let it air for 48 hours before installation.
