

DC12 & DC18 Dehumidifier

The EcoAir compact compressor range welcomes the new DC12 & DC18 Compressor Dehumidifier. Truly in a class of its own when it comes to control, flexibility and performance.

A standard two year warranty gives extra peace of mind, but at the heart is an extraction capability of 12L & 18L per day.

EcoAir strive for improved user experience and as such, look for functions that meet our customers' high expectations and needs. This compact compressor dehumidifier combines a wealth of air management options enabling the user to directly tackle dampness and condensation at the touch of a button.

Be precise in managing humidity levels via an intelligent touch button control panel with LED display and be guided by a host of sensors and alarms. Perfect for keeping indoor airspace fresh and healthy.
