

fitbit versa 3

Meet Fitbit Versa 3, our most versatile smartwatch yet. We upgraded our best-selling Versa 2 smartwatch with new features for fitness and for life—built-in GPS, fast charging and Active Zone Minutes, plus the ability to answer calls from your wrist.*

Motivation on your wrist

Get real-time pace and distance during runs or rides with built-in GPS—no phone necessary—and measure the intensity of your activity with the Workout Intensity Map.

Track fitness with heart

Optimise your workout with Active Zone Minutes and 20+ exercise modes.**

Stay connected on the go

Receive call, text and smartphone app notifications from your wrist.*** Plus, get quick answers, check the weather and set alarms with Google Assistant & Alexa Built-in.*
