

RETEVIS, Global leader in two way communication

# RETEVIS

Features: small & light; signal enhancement; a must for outdoor and campaign usage.

VHF/UHF with frequency never interrupt frequency  
Great alternative and very durable

Two Way Radio SMA-F Dual Band  
VHF/UHF

## Adapted products

Retevis	H-777/RT-5R
Baofeng	BF-666s/BF-777s
Kenwood	TK-360/TK-370
PUXING	PX-777, PX-777Plus

## General specifications

Gain	2.15db/3.0db
Max power	10W
VSWR	less than 1.5
Impedance	50ohm
Connector Type	SMA-F
Band	Dual Band
VHF/UHF Frequency	144MHz/430MHz
Antenna Length	5cm
Weight	16g
