WARNINGS

- Read all the instructions before assembling and using the product.
- Assemble product according to manufacturer's instructions for any of the uses (bedside sleeper or bassinet).
- **FAILURE TO FOLLOW THESE WARNINGS AND THE INSTRUCTIONS COULD RESULT IN SERIOUS INJURY OR DEATH. DO NOT USE THIS PRODUCT IF YOU CANNOT EXACTLY FOLLOW THE INSTRUCTIONS THAT COME WITH IT. THIS PRODUCT SHOULD BE FULLY ASSEMBLED PRIOR TO USE.**

SUFFOCATION HAZARD:

Infants have suffocated:

- In gaps between extra padding and side of the bassinet.
- On soft bedding. Use only the pad provided by Dream On Me, never add a pillow, comforter or any other mattress for padding.
- If a sheet is used with the pad, use only the one provided by Dream On Me or one specifically designed to fit the dimension of the mattress pad.
- Never leave the infant in the bassinet with sides down unless it is securely positioned in the sleeper mode attached to the adult bed with anchors securely in the place.
- To reduce the risk of SIDS, pediatricians recommend healthy infants to be placed on their backs to sleep, unless otherwise advised by your physician.

ENTRAPMENT HAZARD:

- To prevent death from entrapment, Bedside Sleeper must be properly secured to adult bed using the attachment system.
- There must be no more than ½ inch (13mm) gap between bedside sleeper and adult bed.
- Check tightness before each use by pulling bedside sleeper in a direction away from adult bed.
- If gap exceeds 1/2 inch (13mm) **DO NOT** use product. **DO NOT** fill the gap with pillows, blankets or other items that can cause suffocation.
- Always read and follow assembly instructions for each product use (bedside sleeper or bassinet)
- Please use ALL the required parts for each use (bedside sleeper or bassinet).

FALL HAZARD:

- A bassinet is designed to provide a sleeping area for an infant until he or she begins to push up on hands and knees or can roll over, or has reached 25lbs, whichever comes first, which is about 5 months of age.
- Please use all required parts for each use mode (bedside sleeper or bassinet).

WARNINGS (cont.)

- Check the instruction manual for a list of required parts.
- Periodically, check the product for loose, damaged, or missing parts. **DO NOT** use product if any part is loose or missing, or if there are any signs of damage. **DO NOT** substitute parts.
- Contact Dream On Me if replacement parts or instructions are needed.
- In Bassinet Mode, make sure that the side panel is locked.
- Strings can cause strangulation. **NEVER** place the product near window blinds or patio doors with cords where a child could reach the cord and be strangled, or hang strings over the product or place items with a string around an infant's neck or attach strings to toys.
- **DO NOT** place any cord or strap or similar items in or near this product that could be wrapped around a child's neck.
- Strings can cause strangulation. **DO NOT** place anything with a string around a child's neck, such as hood strings or pacifier cords. **DO NOT** suspend strings over a bassinet or cradle or attach strings to toys.

NEVER use this product in bedside sleeper mode without fixing buckles securely attached to the bed.

Acceptable bed frame in-line.

Non-acceptable bed frame not in-line.

SUFFOCATION, ENTRAPMENT AND FALL HAZARDS:

- To use the bassinet mode, **ALWAYS** raise the side with the zipper to completely close up all 4 sides.
- **ALWAYS** push adult mattress against bedside sleeper after securing to the bed with safety strap and fixing the buckles.
- **NEVER** leave the infant in bassinet with the sides down.
- The bedside sleeper is designed for use with adult beds that are between 18.5-24 inches (47-60 cm) from floor to top of adult mattress.

WARNINGS (cont.)

- Fixing or attaching the buckles and straps to adult bed must **ALWAYS** be done in bedside sleeper mode. Product in bedside sleeper mode must be tightly attached to adult bed mattress to ensure safe use.
- It is recommended to make the straps shorter than the width of the mattress to ensure bedside sleeper is pressed securely and tightly against the adult bed, without any gaps.
- A bedside sleeper is designed to provide a sleeping area for an infant until he or she begins to push up on hands and knees or can roll over, or has reached 25lbs, whichever comes first. Move your child to another sleeping product when your child reaches this stage.
- **DO NOT** use the bedside sleeper if any parts are missing, damaged, or broken. Contact Dream On Me for replacement parts and instructions.
- **DO NOT** substitute parts.

IMPORTANT FOR THE SAFETY OF YOUR CHILD

Co-Sleep Mode (Fixing to the Bed)

This method is only compatible with bed types that comply with all of the conditions described here:

- The side support of the bedside sleeper should always be placed close to the adult mattress.
- The mattress should always be aligned with the height of the side support of the co- sleeper.
- The bedside sleeper should be firmly fixed to the structure of the adult bed or to the mattress support.
- Check to make sure that the bedside sleeper in the bedside sleeper mode does not interfere with the adult bed.
- During use, make sure that the adult bed sheets, blankets etc, do not enter the bedside sleeper and cover the interior of the bedside sleeper. This can cause suffocation.
- In the bedside sleeper mode, the two legs of the bedside sleeper should always be adjusted to the same height
- Ensure that the fixing buckles are straight and not loose.
- When the bedside sleeper is attached/tied to the bed, that the actual bassinet must remain straight and not lopsided. If the bassinet is not straight/flat, contact our customer service immediately for help.
- The attachment must always be used in bedside sleeper mode.
- During the removal/or application of the lining, handle the fabric carefully in order to avoid accidental damage or tears.

WARNINGS (cont.)

- Before every use, check to make sure that there is no space between the adult mattress and the side of the bedside sleeper. If there is, pull the belts firmly to tighten until there's no space.
- Use of the product is only permitted for bed or mattress with straight sides. Do not use the product with a round mattress or a water bed.
- When the product is used in the bedside sleeper mode, it should always be fitted to the long side of the bed. Do not fix the product to the short side of the bed.
- The removal and/or application operations may take a few minutes and should be carried out by adult.
- When in bassinet mode, the adjustable feet should always be extended to their full length.
