¹ Upon purchase, your printer comes with a \$40 prepaid value card that will be added to your account (\$48 in Canada). This will cover 8 months of service on a monthly \$4.99 for 100 pages Instant Ink plan (\$5.99 in Canada). Other plans are available that may shorten or lengthen your offer period. After you have successfully registered your printer and created your HP Connected Account and Service Account, you must redeem your offer and select an Instant Ink printing plan. The service begins when the offer is redeemed. You must redeem your prepaid value card within 6 months from printer setup or it will be void. Rollover allows unused pages in a month to be placed in a rollover account and then applied to pages in excess of your monthly allowance. The rollover account balance is limited to a maximum of twice the pages available in your plan. The ink balance will be decremented for any average fees, resulting in fewer months of printing. Receiving your ink cartridges requires Internet connection to eligible HP printer, email address, and delivery service in your geographic area. Printers require direct connection to the Internet for program participation. For details: hp.com/go/mobileprinting.
² Requires the HP Smart app download. For details on local printing requirements see <http://hp.com/go/mobileprinting>.
³ Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at <http://hp.com/go/mobileprinting>. Wi-Fi is a registered trademark of Wi-Fi Alliance®.

¹ Dimensions vary as per configuration ² Weight varies as per configuration ³ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. ⁴ Wireless performance is dependent upon physical environment and distance from the access point. Wireless operations are compatible with 2.4 GHz routers only; excludes wireless direct. Wireless direct may require driver or apps be installed and connected on wireless-enabled mobile device or PC. Wireless functionality may vary by computer and mobile operating systems, see <http://hpconnected.com>. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. AirPrint supports OS X v10.11 El Capitan and devices running iOS 4.2 or later and requires the printer be connected to the same network as your OS X or iOS device.
