

TORQUE AIR SPRINGS LIFETIME WARRANTY

We test our air springs for 10 years of hassle-free service life and back it up with a warranty that you can rely on for the lifetime of the air spring.

Give us a call to locate the nearest distributor.

Register your air spring through our website or by mailing in the registration form that you can get from your store.

In case of a manufacturing defect, you can return your air spring to your store for warranty within the first 3 years.

If you have any manufacturing defects after the 3-year store warranty expires, you can call us directly and we will give you an authorization so you can send the defective product back for a free replacement for 7 more years.

Which gives you a total of 10 years, unlimited miles warranty for every Torque Air Spring (excluding cabins) you buy from our authorized distributors.
