

game capture HD 60 S

Stream and Record. Instantly.

You continuously evolve your content. Stream and record your finest gaming moments with HD60 S, and leverage the perfect foundation to showcase what you're really capable of.

Thanks to a state-of-the-art, reversible USB-C connector, HD60 S doesn't make you think twice. You're hooked up within seconds, and stunning 1080p60 quality won't leave any doubt that you're about to get serious. Featuring Instant Gameview, a reliable, high-performance USB 3.0 connection feeds your stream with superior low latency technology.

The built-in Live Streaming feature gets you up and running on Twitch and YouTube in a snap. Add your webcam, overlays and more with Stream Command, and change your stream layout on-the-fly with scenes. Add your voice with the built-in Live Commentary feature, and you're all set for the big show.
