HOW MUCH SPARKS LONG-LASTING HAIR COLOR WILL I NEED?

Depending on the length and texture of your hair, and the color you are trying to achieve, the amount of Sparks long lasting hair color needed may vary. Use the chart below as a base guide.

LENGTH	INCHES	LIGHT COLORS	DARK COLORS
Very Short	1" - 3"	1/2 tube	1/4 tube
Short	3" - 6"	1 tube	1/2 tube
Medium	6" - 9"	2 tubes	1 tube
Long	9" - 12"	3 tubes	2 tubes
Very Long	12"+	4+ tubes	3+ tubes

Part out a triangle section on the top of the head.

Begin application of the lightener through the ends, about 1/4 - 1/2" off the scalp.

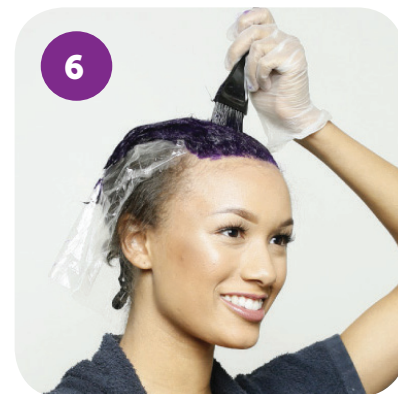

Once you begin to see the hair turn more gold, apply lightener to the scalp.

Allow the lightener to remain on the hair until a light yellow color is achieved on the hair. Follow up with Sparks Color Care Sulfate-free Shampoo & Sparks Color Care Protection Conditioner, dry hair completely.

Apply your Sparks Purple Passion to the hair that has been lightened with the bowl and brush.

Allow the color to remain on the hair for 20 Minutes, at room temperature.

1
Lighten the hair using Sparks Powder Lightener and Sparks Crème Developer to a very light pale blonde, removing any yellow in the hair.

2
Rinse with Sparks Color Care Sulfate-Free Shampoo and Protecting Conditioner. Dry Hair 100%. Part hair down the middle.

3
Apply your choice of color to one side by taking 1/2" sections of the hair and apply color with a tint brush from the roots to the ends. *Tip: It is usually easier to apply color starting in the back of the head and working towards the front.

4
Process for 20 minutes without heat. Rinse your hair with very cool water, keeping the color sections separate.

5
Shampoo, Condition and protect your hair with Sparks Color Care. Style as desired.

3
After hair is dry, section out hair to prepare for Glam Seamless Hair Extensions.

4
EXTENSIONS: Choose the lightest shade of Glam Seamless extensions (Pale Blonde). Prepare Sparks Lightener (see how to for lightening for mixing guidelines). Apply lightener to extensions to remove any color or coating that might be on the extension to ensure an even application. Allow to process for 5 minutes.

5
Once processed for 5 min, rinse Glam Seamless Extensions and shampoo, and dry completely.

6
Select the desired Sparks color and apply to extension. Allow to process for 20 minutes no heat. Rinse, shampoo, and dry. For more information about Glam Seamless visit their site

7
Once hair and extensions are completely dry. Apply extensions. Section hair to allow for proper placement. Take 1/2" section that you want to adhere the extension to and tease hair at root. This will create an anchor for the extension to be clipped onto. Clip extensions in desired area. Style as desired.

TIP
It is usually easier to apply color starting in the back of the head and working towards the front.

TIP
For this look, hair extensions were applied to the area just beneath the top of the head.
