

U.S. ATR SERIES LIFETIME LIMITED END-USER WARRANTY

Select Audio-Technica ATR series microphones purchased in the U.S.A. from an authorized Audio-Technica (A.T.U.S.) dealer are warranted for the lifetime of the original purchaser by A.T.U.S. to be free of defects in materials and workmanship. In event of a defect, End-User's exclusive remedy is at A.T.U.S.' election, the cost of repair, refund of the purchase price in the form of credit or cash, or replacement of the product. A.T.U.S. reserves the right to replace any product with one of equal value. The product must be delivered to A.T.U.S., prepaid to the address below, together with the sales slip or other proof of original purchase and \$8.00 for handling and return to a U.S. address. Check or money order required; no cash or stamps.

This warranty excludes defects due to normal wear, abuse, shipping damage, or failure to use product in accordance with instructions. This warranty is void in the event of unauthorized repair or modification, or removal or defacing of the product labeling.

A.T.U.S.' warranty is to the End User only. Except for A.T.U.S.' said express warranty, A.T.U.S. MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS. A.T.U.S. SPECIFICALLY MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Except to the extent precluded by applicable state law, A.T.U.S. IS NOT LIABLE FOR CONSEQUENTIAL, INCIDENTAL, DIRECT OR SPECIAL DAMAGES ARISING, DIRECTLY OR INDIRECTLY, IN RESPECT OF SUCH PRODUCTS OR USE OR FAILURE THEREOF, WHETHER BASED ON BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, TORT OR OTHERWISE.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

Outside the U.S.A., please contact your local dealer for warranty details.

Unidirectional Dynamic Handheld Microphone

English

Thank you for purchasing this Audio-Technica unidirectional dynamic handheld microphone. Please read the instructions in this manual before using.

Features

- A great introduction to A-T quality and durability
- Ideal for vocal and instrument use
- Focused pickup (unidirectional polar pattern) helps prevent feedback
- Rugged construction and on/off switch

User Instructions

Connecting Microphone

- Plug the cable's mini-plug (or 1/4" adapter) into the mic jack on your mixer, amplifier or recording device

Turning On

- Turn on mixer, amplifier or recording device.
- * Slide microphone switch into the ON position. Slide to OFF position to turn microphone off.

Using Desk Stand

- Slide mic onto desk stand until it fits snugly. Position stand on desk or table so that mic is propped at roughly a 45° angle.

Tips

When using the microphone for vocals, sing or speak across the mic windscreen rather than directly into the mic to reduce popping caused by sudden breath blasts. To prevent feedback, hold or position the mic fairly close to the sound source, i.e. mouth; but refrain from overcrowding the mic. The mic should always be located behind or aimed away from the loudspeaker to minimize pickup of loudspeaker's sound.
