Thank you for your purchase!

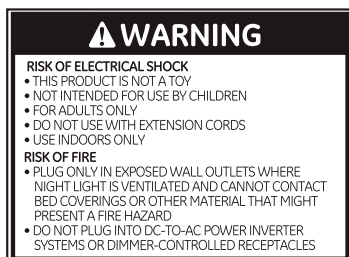

If you like our product, please go to the web page where you made your purchase and leave us a review. It really helps us!

We are committed to ensuring your experience with your product is the best it can be. If any part of your experience has been less than perfect, please call us at 1-800-654-8483.

### To operate:

- Plug light into socket in area to be lit.
- When the sensor detects motion, the light will illuminate and remain on for as long as motion is detected. The light will go off 90 seconds after motion stops within the detection range.

**Night light will only operate in low-light conditions.**

**CAUTION:** Do not place near air conditioning vents or heat-producing appliances such as laundry dryers and ovens, as their air flow and heat may cause false triggers.

¡Muchas gracias por su compra!

Si le gusta nuestro producto, vaya a la página web donde realizó la compra y déjenos una reseña. ¡Sería de gran ayuda para nosotros!

Nos esforzamos constantemente por garantizar que tenga la mejor experiencia posible con todos nuestros productos. Si alguna parte de su experiencia no ha sido tan perfecta como esperaba, comuníquese al 1-800-654-8483.

### Operación:

- Enchufe la luz en la toma del área que se va a iluminar.
  - Cuando el sensor detecta movimiento, la luz se enciende y permanece así mientras se detecte movimiento. La luz se apagará 90 segundos después de que se detenga el movimiento dentro del rango de detección.
- La luz nocturna sólo operará en bajas condiciones de luz.**

**PRECAUCIÓN:** No coloque cerca de respiraderos de aire acondicionado o aparatos que producen calor como secadoras de ropa y hornos, como su flujo de aire pueden causar y detectar falsos activaciones.
