

SUCK VIBRATING SEXY ASS

VIBRATING & SUCKING MASTURBATOR DOLL USER MANUAL

Important Note: This product is intended for adults aged 18 and over. It is not for use by minors. Thank you for choosing our product. Please familiarize yourself with the basic instructions before use.

PRODUCT INSTRUCTIONS:

- 1.Before use, please ensure the device is fully charged. While charging, the indicator light will be solid red, and it will turn off when fully charged. Charging typically takes around 2-3 hours.
2. Power On/Off: Press and hold the ① button for 2 seconds to turn the device on or off. The indicator light will stay solid red or turn off.
- 3.Suction: Single press the ① button to adjust the suction mode. There are three modes to choose from. Single press for the fourth time to turn off the suction function.
- 4.Vibration: Double press the ① button to adjust the vibration mode. There are a total of 6 different frequencies to choose from. Double press for the seventh time to turn off the vibration function.
- 5.How to Charge: Magnetic suction charging. Attach the charging cable to the two charging connection points on the suction device, then connect it to a power source to begin charging.
6. Usage Time: When fully charged, it can be used continuously for 40-50 minutes.

PRODUCT MAINTENANCE INSTRUCTIONS:

- 1.Before use: Prior to use, rinse the product thoroughly with water or shower gel, and then pat it dry. Pour lubricant into the channel and insert the product.
- 2.After use: clean the product with water or shower gel, and pat it dry. Store the product in a cool and dry place.

Maintenance and Care:

1. Do not use cleaning agents containing alcohol, gasoline, or acetone after use.
2. Keep the product away from high temperatures and dirt. If not used for an extended period, apply a protective or body powder to slow down product aging.
3. This product contains a small amount of oil, so it is advisable to store it in a plastic wrap or similar packaging.

If you notice white powder on the product's surface, it has a protective powder (device maintenance and care powder) applied to maintain its dry and attractive appearance. Simply rinse it off with water.

Note: The sucking device can only prevent domestic water, do not soak the sucking device in water, in case of damage!
