1 With body composition monitoring, don't just listen to your body. Know it.

Track your fitness progress with the first ever smartwatch to conveniently measure body composition - our greatest innovation on a Galaxy Watch yet. Knowing your body fat percentage, skeletal muscle, body water content & more made possible with the new Samsung BioActive sensor & superfast chipset.

2 Name a workout. It can track it.

Track more than 90 different workouts with daily activity & fitness tracking on Galaxy Watch4. Counts steps, check calories, and stay on the grid with GPS.

3 Your workout buddies have your back!

Fitness is way more fun with family and friends. Enjoy the Group Fitness Challenge to track your steps together to earn commemorative badges and points.

4 Most holistic sleep tracking ever on a watch.

Advanced sleep tracking system accurately tracks various sleep stages, blood oxygen levels, and snoring patterns (if at all). Along with advanced sleep insights from USA's National Sleep Foundation for better sleep quality and duration.

5 It's a real team player

The first smartwatch with Wear OS Powered by Samsung, Galaxy Watch4 puts seamless access to your favorite apps on your wrist. You'll get a rich app selection including the Google app suit and a massive library of music streaming and health apps.

Also enjoy a seamless connectivity with Samsung Galaxy devices. Control ANC on Galaxy Buds2 or enable apps on your phone straight from your watch.

6 Design comes full circle

Go for a sleek, seamless finish

Be it at your gym, office or at a party the streamlined Armor Aluminum metal body of the Galaxy Watch4 is sure to make a statement.

Or a truly timeless classic

With the iconic rotating bezel, a high-end stainless steel body, and a refined design the Watch4 brings utmost sophistication to your wrist.

7 A new day, a new watch face.

A variety of different analog and digital watch faces to match every outfit, mood, or occasion. Spice up your style further with AR emojis or animated graphics to show what you're up to.
