Quick Reference Guide

1. Customize your phone
From the home screen, swipe up, and then tap Settings to customize, connect and personalize your phone:

-**CONNECT WiFi**
Connect your device to a 2.4GHz or 5GHz network, Bluetooth device and other connection options.

-**SOUNDS AND VIBRATION**
Set device volume and sounds.

-**DISPLAY**
Customize the Home screen, navigation gestures, and display brightness.

-**WALLPAPERS AND THEMES**
Make the device your own with fun and unique wallpapers and themes.

-**DIGITAL WELLBEING**
Configure usage limits on your device.

-**LOCK SCREEN**
Select a screen lock type and security options.

-**BIOMETRICS AND SECURITY**
Set facial or fingerprint security options.

Learn more
The Help feature gives access to the user manual and useful information on how to use your device.

To open, from Settings tap Help.

Search
From the home screen, swipe up and then tap Settings to search for apps, settings, contacts, and more.

Backup and restore
Get help transferring contacts, photos, videos, and other content from your old phone at samsung.com/smartswitch.

2. About your phone
Your SIM card may be pre-installed.

**Note:** Use only Samsung-approved charging devices and accessories. Samsung accessories are designed for your device to maximize battery life. Using other accessories may void your warranty and may cause damage.

3. Set up your phone
Before turning on your phone, charge it fully.

**INSERT SIM/microSD CARD**
Place the SIM card and optional microSD card into the tray with the gold contacts facing down.

**REMOVE SIM/microSD CARD**
Ensure the lock is in the released position of the tray.

**BACKUP AND RESTORE**
Select a screen lock type and set security options.

**DEMTICS AND SECURITY**
Select a lock screen type and set security options.

**Contact us for support**
Get hardware or software support, at samsung.com/us/support/service, or call us at 1.800.SAMSUNG.

**Find a service location near you**
At samsung.com/us/support/service/locations.

Create an AR Emoji
Turn your selfie into an emoji.
1. From the Home screen, tap Camera > AR Emoji > Create My Emoji.
2. Tap to capture your photo and customize and save your emoji.

Personalize messages with an emoji
1. Tap Messages > New message.
2. Tap Stickers to add a GIF or your very own emoji or sticker, and then tap Send.

Camera
Features
• Dual Pixel: Focus in a blink.
• Dual Aperture: Adapt to bright light and super low light automatically.
• Ultra wide: Capture more of the scene.
• High dynamic range (HDR): 10+ recording: Ensure bright colors are bright, while keeping dark colors dark.
• Scene optimizer: Recognize and optimize scenes and colors for brilliant photos.
• Artistic Live Focus: Blur the background of a photo to make the subject stand out.
• Zoom: Get a closer view of faraway subjects.
• Hyperlapse: Create a motion shot from a moving camera.
• Super slow-motion: Capture motion at 240 frames per second.

Remote view photos.

Bixby Routines
Create custom routines that change your phone settings based on your location or activity. For example, while driving you can create a routine to automatically read notifications aloud.
1. Drag the Status bar down to display the Navigation panel.
2. Touch and drag — to access all Quick Settings options.
3. Tap Bixby Routines. Then touch and hold to set up.

Recent apps
Enjoy the new full-screen view of recent apps.
Tap Recents to view a list of recently opened apps.
• Tap an app icon to view options.
• Swipe up to close.
• Swipe down to open.

Performance
Bixby Routines
Customize the Home, Back and Recents keys or remove them and use gestures instead to increase screen space.
1. From Settings > Display > Navigation bar.
2. Tap one of the following Navigation types:
• Navigation buttons (default)
• Full screen gestures
• Button order
• Gesture hints (Displays only when full screen gestures is selected)

Wireless PowerShare
Wirelessly charge compatible device right from your phone.
1. Drag the Status bar down to display the notification panel.
2. Touch and drag — to access all Quick Settings options.

Waterproof
With the phone fully assembled, place the device on the back of the phone to charge.
