

GoSports® Mini Bowl Rules

Includes

- Gameboard
- (10) Pins
- (2) Bowling Balls
- Launch Ramp
- Dry-Erase Bowling Scoreboard
- Game Piece Pouch

How to Play:

Games can be played by **1–4** players. Setup the board on a flat surface. The youngest player starts first.

At the start of each turn, setup all **10** pins on the dots in the pin setup area. Each player alternates bowling **2** balls per turn trying to knock down as many pins as possible. If all pins are knocked over on the first bowl this is called a strike and ends the player's turn. Ensure all pins that have been knocked over in the first bowl are removed from the playing area before the second bowl. After each turn (either **2** bowls or a strike) the pins are reset upright.

Rolling The Ball:

We recommend using the provided Launch Ramp to bowl, however you can choose to roll or flick the ball with your hand (cannot be thrown). Either way, the ramp or your hand must not pass the foul line. If the hand/ramp passes the foul line you receive **0** points for that bowl.

Each bowler gets **10** turns and the winner is the one with the most points at the end of all **10** turns. In the event of a tie, there is a sudden death playoff where the player with the highest single roll is the winner.

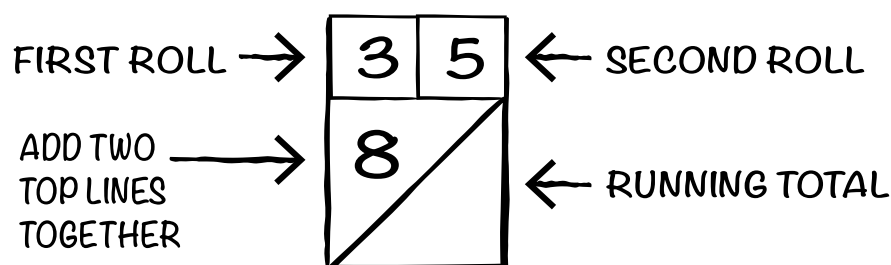

Scoring:

We recommend using our simplified scoring system on the included dry-erase scorecard for the fastest and easiest game play. You can optionally use the board to score using official bowling scoring, but it requires more complex math. Additionally, you can use a 3rd party App on your smartphone to keep score!

For Simplified Mini-Bowl Scoring:

- Each pin knocked over is worth **1** point
- If a player knocks over all the pins on the first bowl, this is a strike [**X**] and worth **30** points
- If a player knocks over all the pins on the second bowl, this is a spare [**/**] and worth **20** points

Scoreboard Markings:

NAME	1		2		3		4		5	
	2	3	X			/	3	6	4	0
SEAN	5		30		20		9		4

Handwritten red annotations above the table: '5 Pins' with arrows pointing to the first two rolls (2 and 3); 'Strike!' with an arrow pointing to the third roll (X); 'Spare!' with an arrow pointing to the sixth roll (/).
