Important Safety Information

- Please carefully read all instructions before attempting installation. If you do not understand the instructions or have any questions or concerns, please email customer service.
- Before starting assembly, verify all parts are included and undamaged. Do not use damaged or defective parts. If you require replacement parts, please email customer service.
- This product contains small parts that may pose a choking hazard.
- Do not use this product for any purpose that is not explicitly specified in this manual. We are not liable for damage or injury caused by improper mounting, incorrect assembly, or inappropriate use.

Care and Maintenance

- Use a vacuum cleaner to remove any loose debris.
- Clean using mild detergent with a damp cloth.

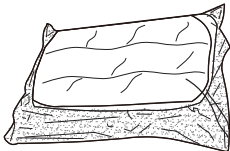

Installation Tips

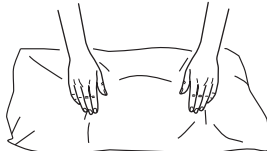

- Make sure you have enough space to lay the parts out before assembling.
- To avoid scratches, assemble this product on unfolded cardboard or a soft surface.

The cushions ship vacuum sealed. To restore their original shape, follow the steps below.

1. Carefully open the vacuum bag.

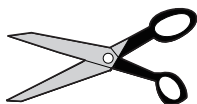

2. Press and pat to fluff the cushion.

3. Squeeze to distribute the filling evenly.

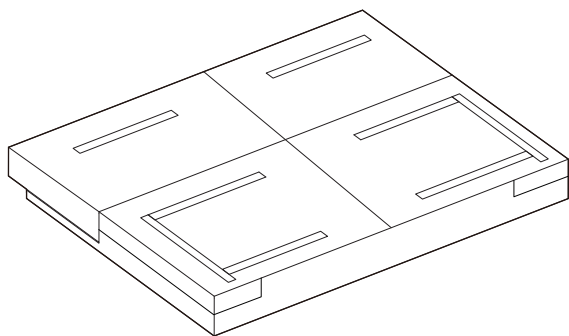

- Air the cushions for 72-96 hours to restore them to optimal condition.

Sofa Setup

Tip: Hold the backrest with both hands when adjusting the angle to ensure both sides lock evenly.

**5 Angle
Adjustment**

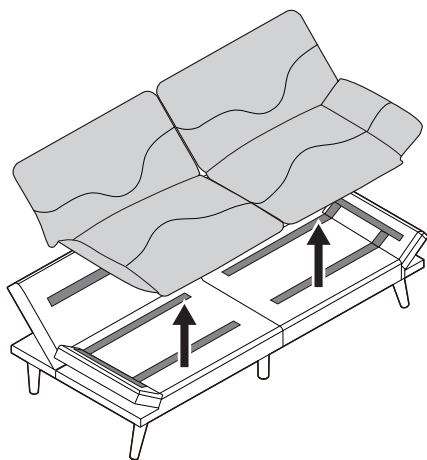

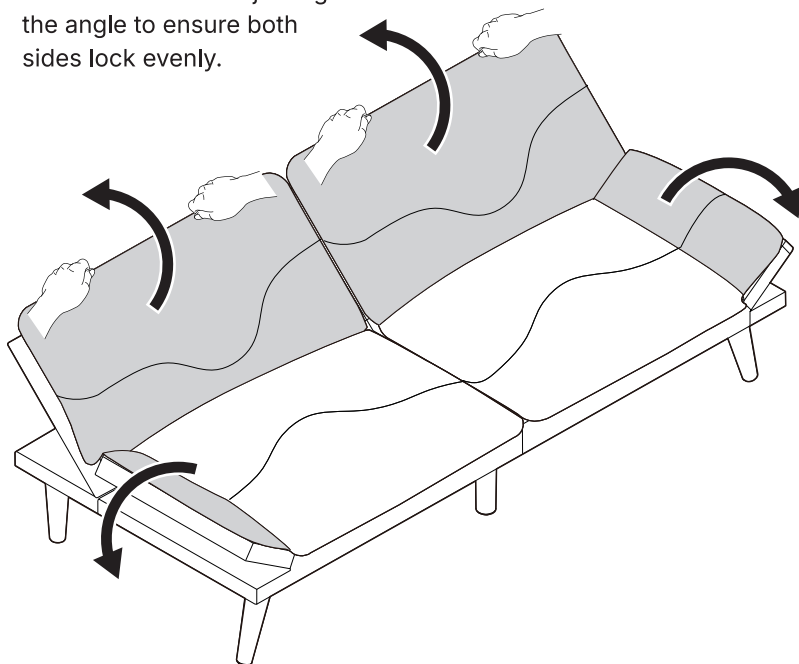

Convert the Sofa into a Bed:

Press the backrests and armrests toward the middle to unlock, then lay them flat.

Tip: Hold the backrest with both hands when adjusting the angle to ensure both sides lock evenly.

Tip: If converting is difficult, remove the cushions first.
