

OUR FAVORITE SIMPLE SOLUTIONS

FOR EVERYDAY LIFE

CLEANER, FRESHER CLOTHES

Add a cup to the laundry to make your whites whiter and brights brighter.

FRESHEN CARPETS

Sprinkle Baking Soda generously on carpets. Wait 15 minutes, then vacuum away for a fresh step.

Countless uses for about \$1

TOTAL KITCHEN CLEANING

Sprinkle Baking Soda on a damp sponge to safely clean appliances, counters and sinks without scratching.

SPARKLING, SCRATCH-FREE COOKWARE

Soak pots and pans in hot water and Baking Soda for 15 minutes to easily wipe away baked-on messes.

FRESHEN YOUR FRIDGE

Keep foods tasting fresher longer by replacing the box of Baking Soda in your fridge and freezer every 30 days.

PAMPER FEET

Give your feet a treat with a refreshing foot soak. Just add 3 tablespoons of Baking Soda into a basin of warm water.

EXFOLIATE FACE & BODY

Give yourself glowing skin! Make a paste of 3 parts Baking Soda to 1 part water. Gently rub on skin and rinse clean. Gentle enough for daily use.

CLEAN BABY TOYS

Clean baby toys safely without harsh chemicals. Mix 4 tablespoons of Baking Soda with 1 quart of warm water. Rinse well.

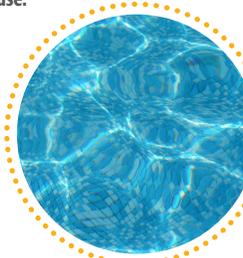

REMOVE MARKS FROM WALLS

Make a paste with Baking Soda and water to gently scrub away scuffs and crayon from walls.

REMOVE GRUNGE FROM GRILLS

Scrub your grill with Baking Soda and a brush for a fresh start to the summer season.

SPARKLING CLEAN POOL WATER

Get crystal clear water the easy and affordable way. Just follow the instructions on the 13.5 lb. Baking Soda bag.
