

The best, only smaller.

With its 4K video, one-button simplicity and voice control, HERO5 Session™ may be the ultimate combination of performance and small size. Liquid-smooth image stabilization and rugged, go-anywhere waterproof design help capture life as you live it. Then HERO5 Session can automatically upload footage to your GoPro Plus cloud account, providing easy access on your phone.¹

WHAT'S INCLUDED

①

②

③

④

1. HERO5 Session Camera
2. Standard Frame
3. Mounting Buckle
4. Curved + Flat Adhesive Mounts
5. USB-C Cable (not shown)

FEATURES + BENEFITS

Convenience

- A single press of the Shutter button powers the camera on and starts recording automatically.
- Durable by design, HERO5 Session is waterproof to 33ft (10m) without a housing.
- Enjoy hands-free control of your GoPro using simple voice commands.
- HERO5 Session knows what's up. When mounted upside down, it will automatically capture photos and video right-side up.

Small, Compact + Versatile

- Sleek and compact, HERO5 Session captures amazing new perspectives.

Connected

- With a GoPro Plus subscription,¹ HERO5 Session can automatically upload photos and videos directly to the cloud, for easy viewing, editing and sharing on the go.
- Bluetooth and Wi-Fi make it easy to stay connected with GoPro apps, accessories and more.

Capture Quality

- Stunning 4K video and 10MP photos in Single, Burst and Time Lapse modes.
- HERO5 Session captures stunningly smooth video handheld, mounted to your favorite gear, and more.
- HERO5 Session automatically filters out wind noise.
- Advanced image processing provides stunning video and photo quality in low-light conditions.
- Improved audio performance.
- New Time Lapse Video, Night Photo and Night Lapse modes.

The Versatile GoPro Family

- Charge HERO5 Session up to 20% faster² with optional GoPro Supercharger (International Dual-Port Charger).
- Capture life in a whole new way with 30+ GoPro mounts and accessories including Karma™, 3-Way™, Remo and more.
