Model:PGTVMC06

Thank you for choosing this Perlegear product! At Perlegear we strive to provide you with the best quality products and services in the industry. Should you have any issues, please don't hesitate to contact us at support@perlegear.com(US/CA)

Important Safety Information

- Please read through these instructions completely before attempting installation. If you do not understand the instructions or have any concerns or questions, please contact customer service at support@perlegear.com
- Check package contents against Supplied Parts and Hardware List to assure that all components were received undamaged. Do not use damaged or defective parts. If you require replacement parts, contact customer service at support@perlegear.com
- Not all parts and hardware included will be used.
- Do not use this product for any purpose or in any configuration not explicitly specified in this instruction. We hereby disclaim any liability for injury or damage arising from incorrect assembly, incorrect mounting, or incorrect use of this product.

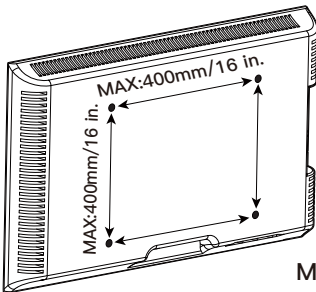

Tip over Warning

Serious or fatal crushing injuries can occur from tip over. To help prevent tip over:

- Never allow children to climb, stand, hang, or play on any part of TV or TV cart.
- Use tip over restraint or anchor stand to wall

Use of tip over restraints may only reduce, but not eliminate risk of tip over.

Check the VESA Pattern of Your TV before the Installation

100 mm \approx 4 in.
200 mm \approx 7 7/8 in.
300 mm \approx 11 3/4 in.
400 mm \approx 15 3/4 in.

Minimum VESA pattern: 100mm/4 in.(W)x100mm/4 in.(H)

If your TV VESA is greater than 400x400 mm/16x16 in. or less than VESA 100x100mm/4x4in., this TV cart is NOT compatible.

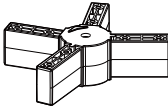

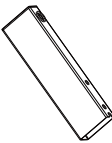

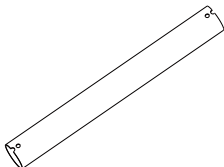

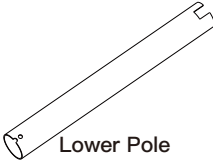

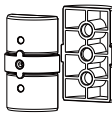

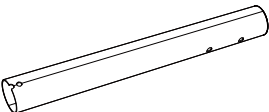

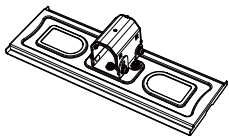

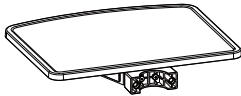

If this TV cart is NOT compatible, please contact customer service at support@perlegear.com to find a compatible product.

Tools Needed (Not Included)

- Phillips Screwdriver

Select TV Bolts

Only one bolt size fits your TV.

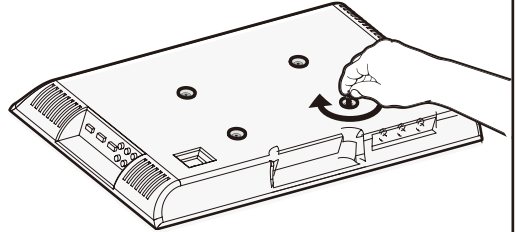

M4

M6

M8

Bolt length: Verify adequate thread engagement with bolts or bolts/spacers combination.

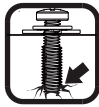

We recommend thread engagement by at least 5 turns.

-Too short will not hold the TV.

-Too long will damage the TV.

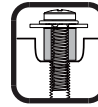

Too Short

Too Long

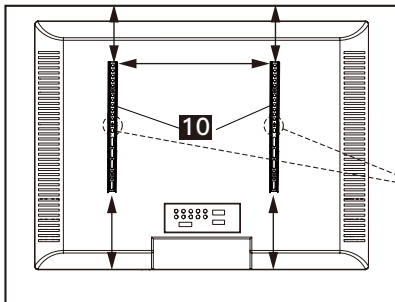

Correct

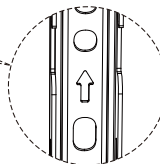

Correct

Note: If necessary, the spacers can be used in multi-layer. If the installation fails after trying various methods, please contact customer service at support@perlegear.com

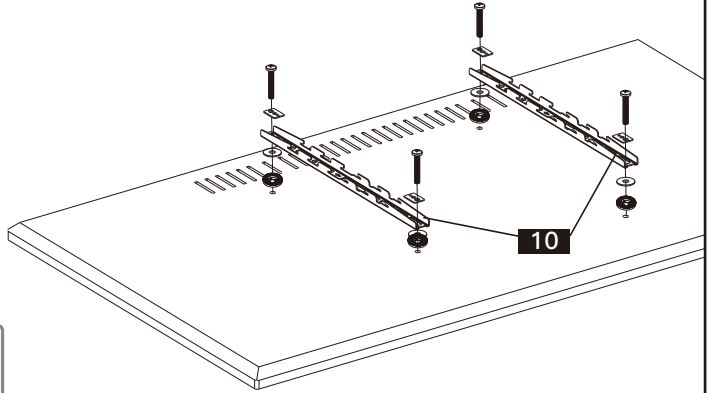

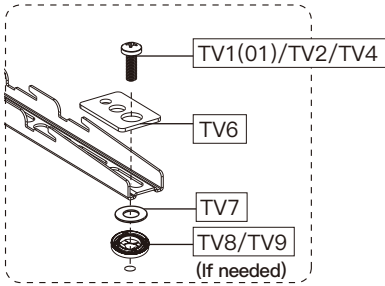

⚠ CAUTION: Ensure the TV brackets **10** are EQUALLY CENTERED on your TV and securely fastened in place.

↑ UP

Note:
Keep the arrow up.

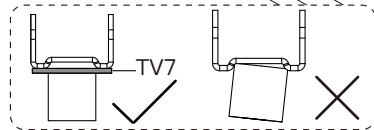

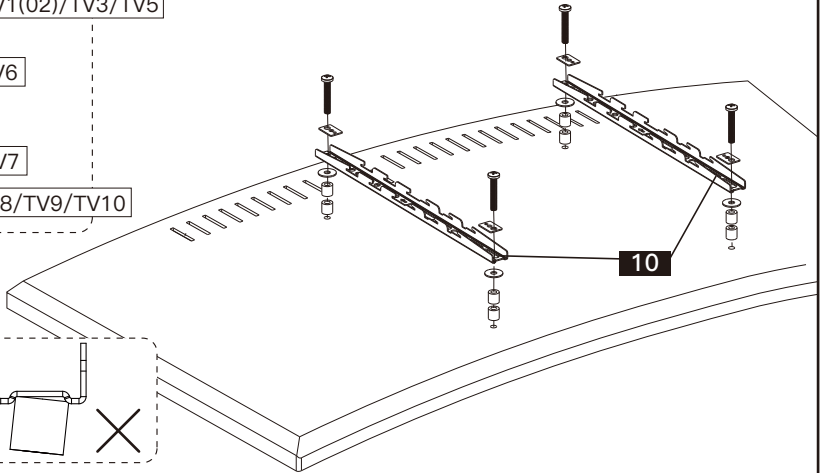

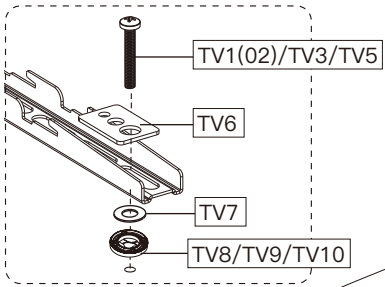

Option A (For Flat Back TV)

Alternate Spacer Setups

Option B (For Round Back TV)

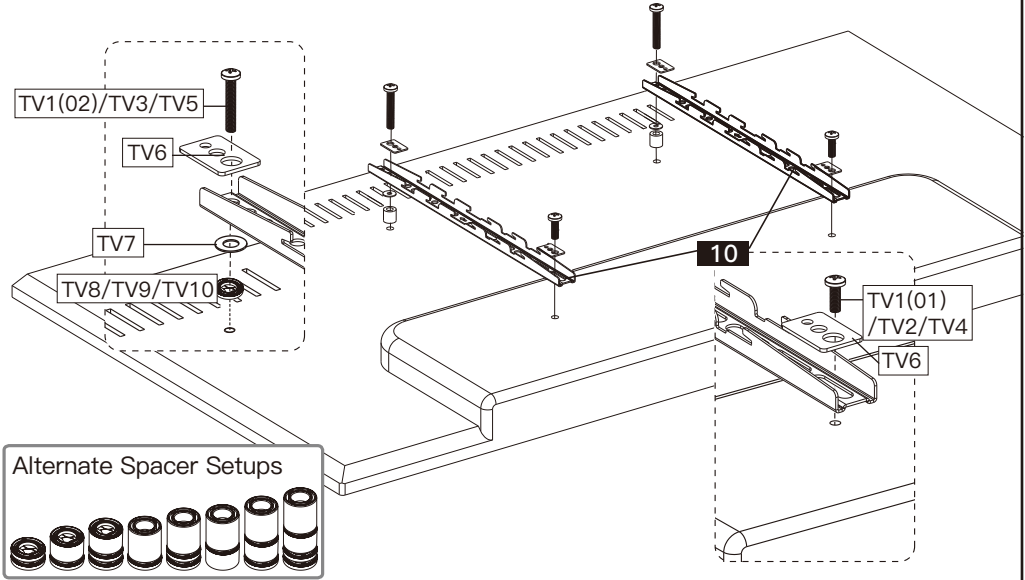

Alternate Spacer Setups

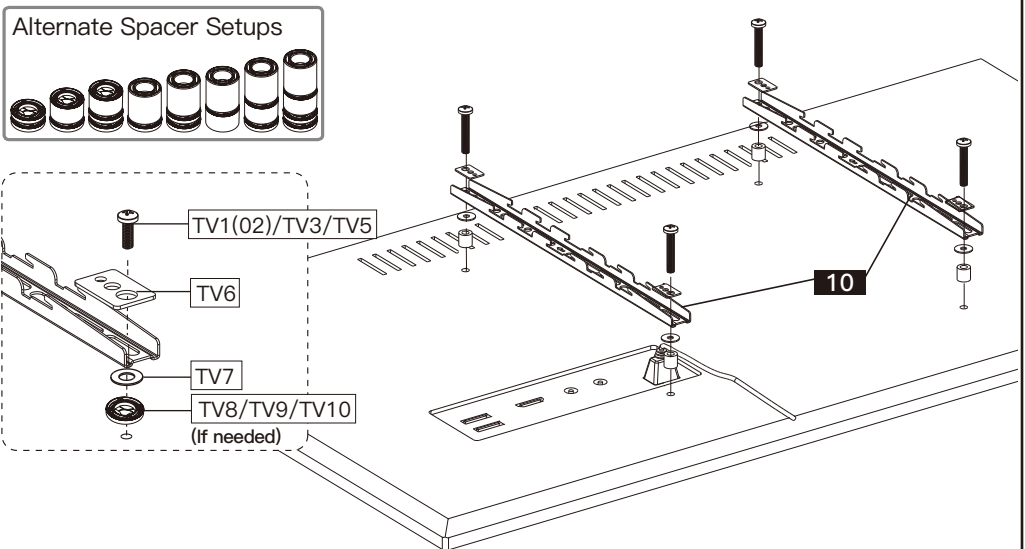

Option C (For TV with A “Bump”)

Spacers may be necessary for 2 holes ONLY.

Option D

For cable interference or inset holes, use spacers [TV8/TV9/TV10] to create extra space between the TV and TV brackets

Step 9 Hang TV to TV Plate [09]

8-1 Hang the TV with brackets to the TV plate

8-2 Push the bottom of the TV to TV plate

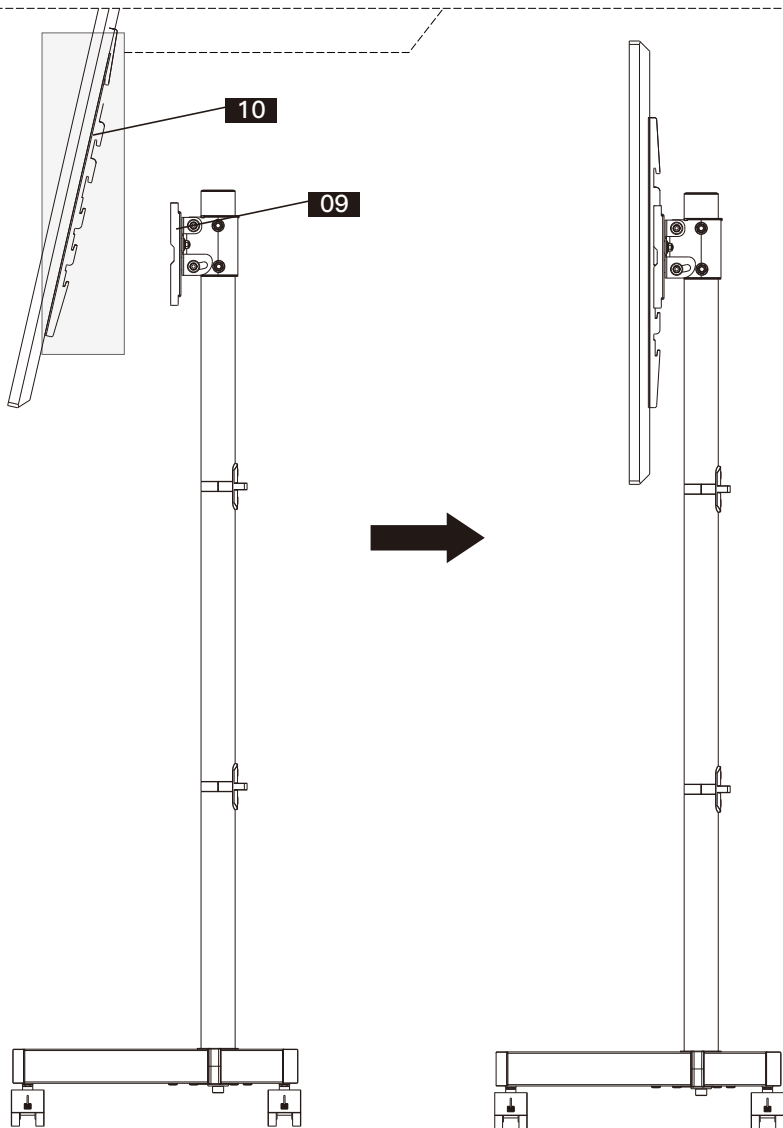

TV brackets are three-height-adjustable.

You can choose the proper height.

The first choice

The second choice

The third choice

Step 10 Secure TV to TV Plate [09]

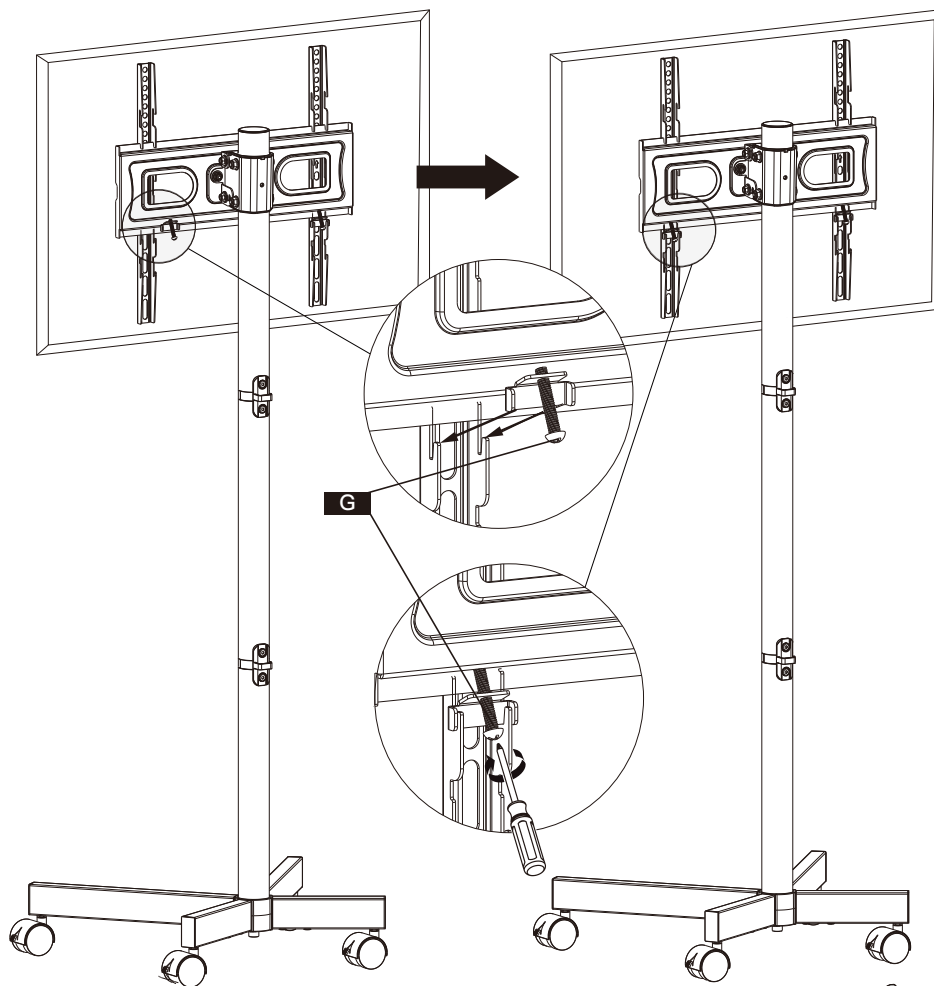

G
Safety Lock

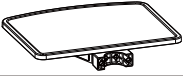

x2

Insert the safety locks [G] into the upward facing hooks at the midway to lower part of the TV bracket. Please note this is where the lower part of the TV bracket meets the lower part of TV plate. Then tighten the bolts of the safety lock [G] until the bolts touch the TV plate.

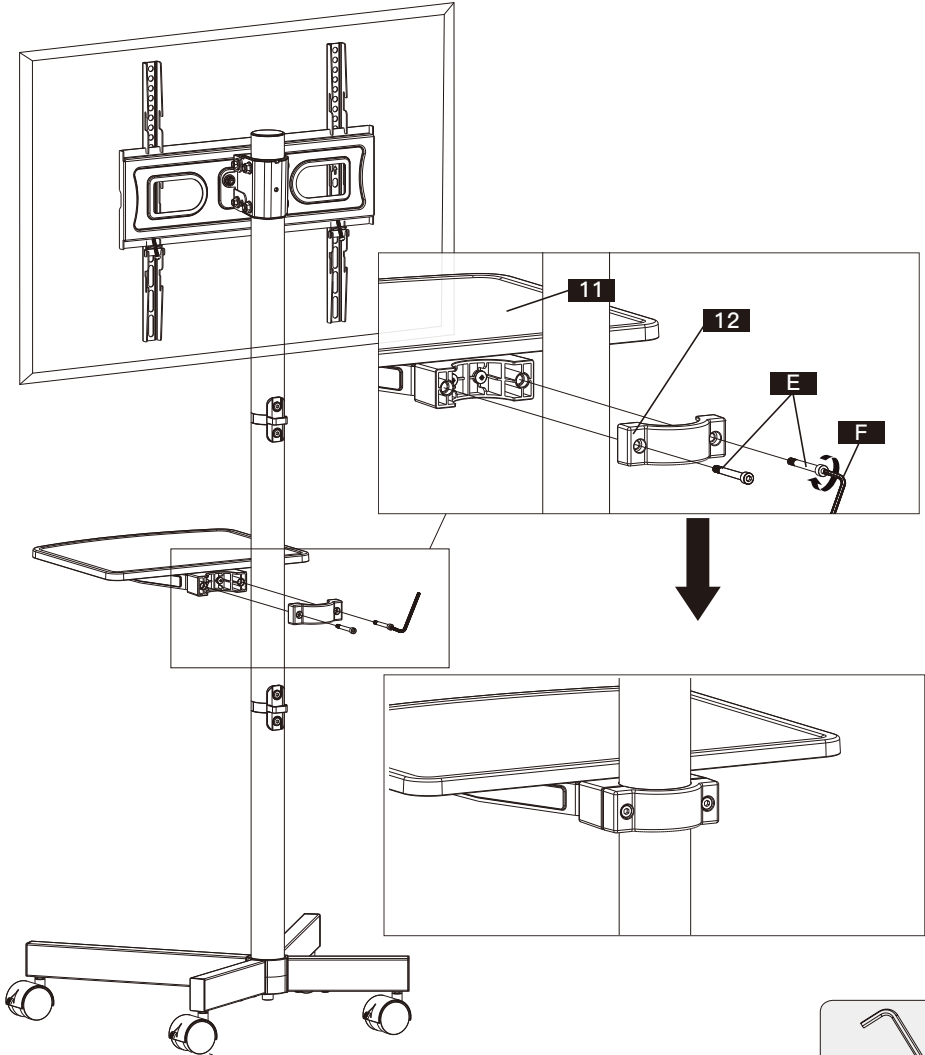

Note: Please note that there is no holes on the TV plate.

Step 11 Secure the Shelf [11] to the Pole

11 Shelf		x1	12 Connecting Plate		x1
E Bolt M5x55mm		x2	F 5/32In.(4mm) Small Allen Key		x1

Secure the shelf [11] to the pole using connecting plate [12], bolts [E] and Allen key [F].

You may need assistance with this step.

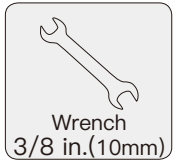

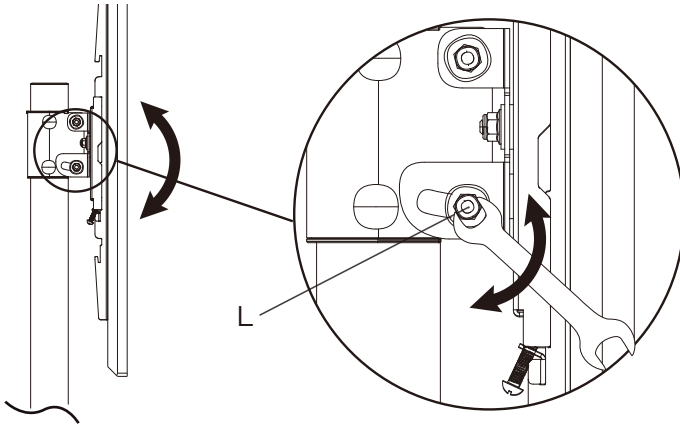

Small Allen Key
5/32 in.(4mm)

Step 12 Adjustments

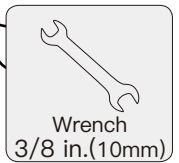

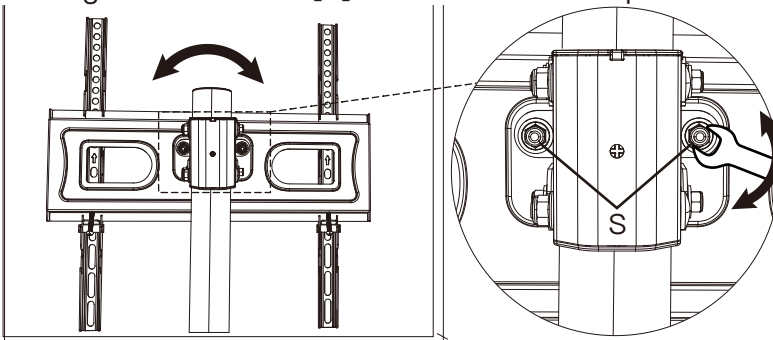

12-1 Tilt Adjustment

1. Slightly loosen the both tilt nuts [L].
2. Adjust TV to your desired tilt angle.
3. Tighten the both tilt nuts [L] to secure the TV in place.

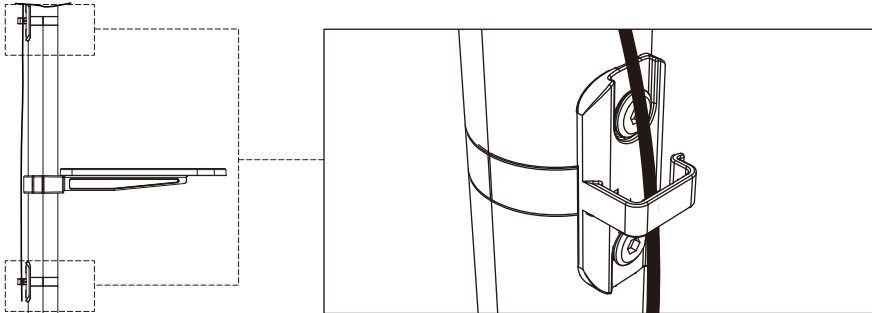

12-2 Level Adjustment

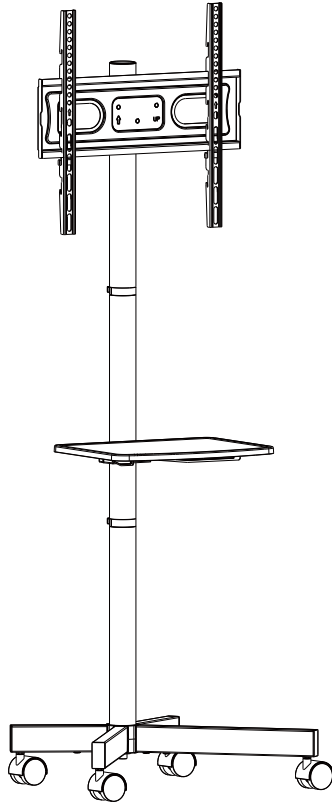

1. Slightly loosen the both nuts [S] using wrench.
2. Level the TV.
3. Retighten both nuts [S] to secure the TV in place.

12-3 Manage the Wires
