Installation Manual

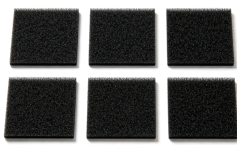

SUBRTEX Stretch Jacquard Couch Arm Covers

Package Contents

- Armrest cover (2 pieces, not distinguished for left/right)

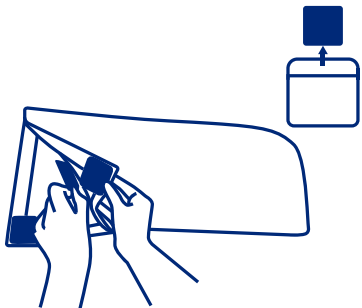

- Velcro (4 included + 2 replacement pieces)

Important Notes Before Installation

- No left/right distinction:
The left and right armrest covers are identical in shape. You can use either one on any armrest.
- Clean before installation:
It is recommended to wipe the original sofa armrest with a damp cloth to remove dust before putting on the cover, ensuring a smooth fit.
- Applicability:
Compatible armrest shapes: Round, square, extra-thick armrests, as well as armrests with outward rolled edges.
Compatible sofa types: Regular sofas, recliners, club chairs (suitable for both fabric and leather sofas).

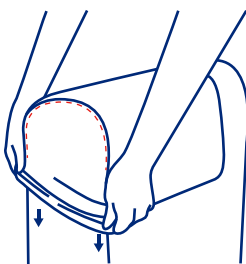

Installation Steps

Step 1

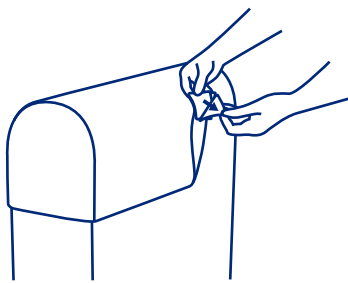

Take out the Velcro strips and attach the black side to the black side on the armrest cover.

Step 2

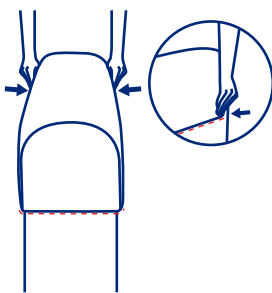

Slide the armrest cover over the sofa armrest and align the edges.

Step 3

Peel off the backing paper from both sides of the Velcro to prepare for adhesion.

Step 4

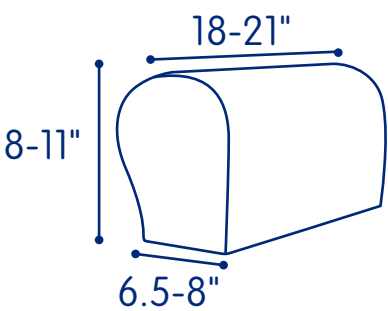

Ensure the cover is aligned with the edges of the sofa, then press firmly on both sides of the Velcro.
