Tech Specs

Bluetooth® Version:	V5.3
Rated Power:	12W
Frequency Response:	20Hz-20KHz
Signal-to-Noise Ratio:	>84dB
Battery Type:	3.7V 1500mAh
Battery Charging Time:	2.5 hours
Music Playtime:	10 Hours(VERIES BY VOLUME LEVEL AND AUDIO CONTENT)
Wireless Transmission Distance:	Up to 39 ft (12M)
Charging:	DC 5 V 1A
Dimensions(W x D x H):	120mm(L) 70mm(W) 45mm(T)
Weight:	225g
Waterproof Grade:	IP67

To extend battery life, fully charge at least once every 3 months. Battery life will vary according to usage patterns and environmental conditions. Do not expose the SOWO product to liquids without removing all cable connectors and closing the cap tightly. Do not expose the SOWO product to water while charging. It may cause permanent damage to the speaker or product, and to the power source.

IMPORTANT SAFETY INSTRUCTIONS:

For all the products:

1. Read and follow these instructions.
2. Keep these instructions.
3. Read all warnings.
4. Follow all instructions.
5. Do not block any ventilation openings. Install this product according to the instructions.
6. Do not install the product near any heat sources such as radiators, heat recorders, or other heat generating devices (including amplifiers).
7. Do not defeat the safety purpose of the polarized or grounding plug. A polarized plug has two blades with one wider than the other. A grounding plug has two blades and a third prong provided for your safety. If the plug does not fit into your outlet, consult an electrician to replace the outdated outlet.
8. Protect the power cord from being stepped on or pinched, especially at plugs, receptacles and the point where they exit from the device.
9. Use only attachment accessories specified by the manufacturer.
10. Unplug the device during lightning storms or when not used for long periods of time.
11. To disconnect this device from the AC mains, completely disconnect the power supply cord plug into the AC receptacle.
12. The main plug of the power supply cord shall remain readily operable.
13. Do not expose batteries to excessive heat such as sunlight or fire.
14. This device is intended to be used only with the power supply and/or charging cable provided by the manufacturer.

17

FCC Requirement:

Any changes or modifications not expressly approved by the party responsible for compliance may void the user's authority to operate the device. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device shall not cause harmful interference.
 - (2) This device shall accept any interference received, including interference that may cause undesired operation.
- Note: This equipment has been tested and found to meet the limits for a Class B digital
